

**LAWN &  
LANDSCAPING  
SOLUTIONS**

Envision your crew working smarter, safer, and not just harder. With our interchangeable truck body solution, you can maximize your capital budget and minimize equipment idle time by providing your crew the right tool for every job.

DEALER INFO:

**DISCOVER MORE**  
possibilities with the interchangeable truck body solution

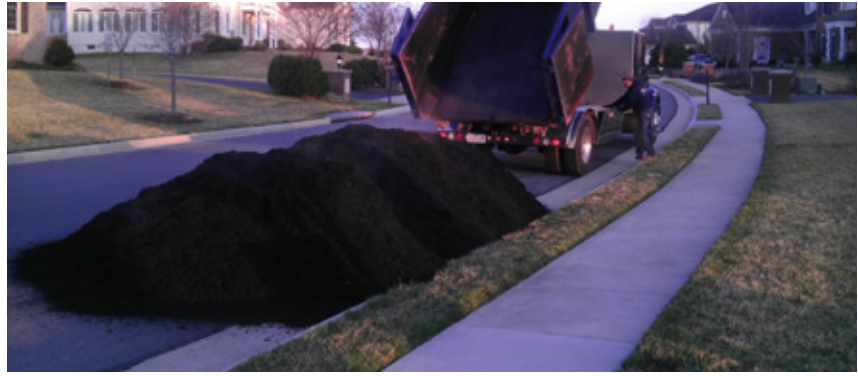

**Product Synopsis** | Ideal for most chassis cab types with a GVWR of 13,500-33,000lbs. Compatible with vehicles ranging from 60" CA to 138" CA. Quickly and safely change bodies in *under three minutes*. Easy interior cab controls for tight city & urban space.

## CHALLENGES

- Equipment Transportation
- Limited Capital Budgets
- Season Specific Equipment
- Workers Comp Claims

"I was concerned for myself and my crew getting injured when putting our heavier equipment back in the dump truck due to the height."

## APPROACH

Whether you are looking for a safer and more efficient way to perform your tasks or expand your services, Switch-N-Go® can help. With interchangeable bodies and ground level loading, you can maximize your work day.

- One Truck with Multiple Bodies
- Ground Level Loading
- Additional Services
- Multi-Seasonal Use
- Greater Job Efficiency
- 3 Minute Changeover
- 50° Dump Angle
- Maneuverability
- Non-CDL Trucks
- Significantly Lower Total Cost of Ownership

## SOLUTION

By utilizing the Switch-N-Go® interchangeable truck body system, a single truck does the work of three. Whether you are a nationwide property management company or local landscaping shop, Switch-N-Go® delivers solutions that maximize budget dollars, keeps workers safe, and provides your team the right tool for every job.
