possibilities with the interchangeable truck body solution

CHALLENGES

- Maneuverability in Residential Environments
- Workers Comp Claims
- High fleet fees
- Budget Constraints

"Imagine loading a piano or hot tub up on a ramp! No, thank you!"

APPROACH

"Customers love that I can drive in with my small F550 and drop a 15 yard dumpster. My truck is lighter than the big guys, and my dumpsters are more driveway friendly."

- One Truck with Multiple Bodies
- Service Additional Markets
- Flexible Chassis Applications
- Ground Level Loading
- Maneuverability
- Driveway Accessible
- Multi-Seasonal Use
- Greater Job Efficiency
- 3 Minute Changeover
- 18,000lbs Winching Capability
- Non-CDL Trucks
- Significantly Lower Total Cost of Ownership

SOLUTION

By utilizing the Switch-N-Go® interchangeable truck body system, a single truck does the work of three. Switch-N-Go® offers a variety of standard solutions and the ability to customize designs to fit your specific needs. Whether you are just starting out with a franchise or have a veteran franchise owner, Switch-N-Go provides the solution. With one truck and several interchangeable truck bodies, you can utilize one truck to complete the work of three.
